

PMAC ELECTRIC SPORT RALLY

The Papakura-Manukau Aeromodellers Club is holding an electric rally on Sunday 8 April, 2012, starting at 9.30am.

Members of other clubs are very welcome. For anyone in the area on Saturday 7th we wish to advise that the field is available for use all day Saturday after 9am and you are welcome to come and join us on that day.

The rally aims to encourage all aspects of sport electric model flying. This is an opportunity for electric enthusiasts to get together, learn from each other and have fun in this increasingly popular branch of aeromodelling.

Bring along your Electric sport , scale , gliders and Helis . Even your screaming foamies can get some air time.

Venue: PMAC flying field, Clevedon A & P Showgrounds, Monument Road, Clevedon. (Monument Road is the second road on the right after entering Clevedon from the south. Go along Monument Road for around 500 metres, then turn right into the first driveway past the bowling club.)

There is a map on our website: <http://www.pmac-rc.org/location.html>

Registration: \$5. All pilots to be NZMAA members with wings badge.

The BBQ will be operating, cooking the usual fare.

Contact: Stewart Irvine ,09 6343210 sandbee@xtra.co.nz

Cancellations: Will be posted on the website www.pmac-rc.org
